

Central Bucks Community School

For ALL Campers, CIT's and Jr. Counselors

Permission To Participate in Open Swim

Each week your child(ren) will have the opportunity to participate in an open swim. Before your child can participate this form must be completed and turned into camp.

The **Central Bucks East pool** has a shallow end that goes from about 3 _ to 5 feet deep. The deep end goes from 5 to 12 1/2 feet deep. Your child must take the Deep Water Test if they would like to swim in the deep end of the pool. The Deep Water Test consists of swimming one length (25 yds) either freestyle or breast stroke without holding onto the side, touching the bottom or stopping. They must also tread water for 2 minutes in order to swim in the deep end of the pool.

In order to participate in the open swim after their swim lesson we must have this sheet signed and returned. Those who pass the deep water test will be allowed to swim in the deep end (5 - 12 _ feet) at CB East and use the diving boards and starting blocks.

If you have any questions you can reach Marge Donohue, Aquatics Manager at 215-345-9240 or e-mail her at cbswim@comcast.net

Check the appropriate box, sign and return with your registration form.
